CREATE IBM ACCOUNT

If you don't yet have an IBMid, you can create one when you sign up. With an IBMid, you can use one username to log in to all IBM products and services, including IBM Cloud.

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog', 'Manage', and the user's account 'SurendarKumar S's Acc...', along with icons for help, settings, and notifications. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended resources. These include a 'Build' section with a link to explore easy starter tutorials, and five 'Get started with Watson' cards: 'Studio' (15 minutes), 'Speech to Text' (15 minutes), 'Discovery' (2 hours), 'Document Understanding Demo' (5 minutes), and 'Explore' (Getting started). Each card provides a brief description and a 'Getting started' or 'Recommended' button. The bottom of the dashboard has a 'User access' section with a 'Manage users' link, a 'News' section with a 'View all' link, and a 'Planned maintenance' section with a 'View' link. The Windows taskbar at the bottom shows the time as 8:42 PM on 14-Nov-22.
